Il mondo WORK & LEISURE immagina il ritorno agli scenari urbani e al lavoro. Libero da qualsiasi riferimento formale, lo stile Harmont&Blaine di questa delivery “back to the city” valorizza la sensazione di confort attraverso silhouette pulite ed essenziali, intrise di rosa e zafferano, accanto ai verdi e ai blu. I materiali leggeri e i tessuti antivento proteggono dagli sbalzi autunnali. Le giacche e le felpe si abbinano ai tagli ampi o lineari dei pantaloni. Le stampe esaltano le keyword del brand giocando con tratti grafici ed effetti a rilievo. L’attenzione alla sostenibilità si traduce nei cotoni organici e biologici, nel denim One Glass One Jeans e nelle eco-sneaker colorate o con bande a contrasto.

*The WORK & LEISURE concept represents a return to urban scenarios and work agendas. Free of any formal restrictions, the “back to the city” Harmont&Blaine style conveys the sense of maximum comfort through clean and essential silhouettes offered in pale pink and saffron yellow, alongside greens and blues. Lightweight materials and windproof fabrics protect against autumn’s sudden temperature drops. Jackets and sweatshirts are paired with loose or slim trouser cuts. Prints emphasize the brand’s signature codes playing with graphic patterns and embossed effects. The sustainable approach is expressed in the major use of organic and eco-compatible cottons, One Glass One Jeans’ low-impact washes and eco-sneakers in seasonal monochromes or with contrasting stripes.*

Le fughe dalla città ispirano i nuovi look per la vita nella natura e all'aria aperta, con un focus primario sul benessere e sulla praticità. Vibrazioni di turchese e arancio si mixano al verde bosco per lui e ai toni della terra per lei. Lo stile è casual, ma prevale soprattutto l'aspetto tecnico, protettivo e funzionale. Se l'uomo indossa parka con maxi tasche, gilet reversibili e piumini imbottiti, la donna sceglie il caban over, il trench-coat in panno e la giacca a quadri con coulisse trek-style. Gli strati di teddy fleece e l'eco-cashmere pregiato si alternano alla lana multicolor movimentata da intarsie jacquard con motivi geometrici e fair-isle.

*Urban getaways inspire new outfits driven by comfort and functionality, made for life in nature and in the open air. Vibrant turquoise and orange hues are mixed with forest green for him and earthy tones for her. The overall feel is casual, but the key focus is on the technical, protective and pragmatic side. While men opt for parkas with multiple maxi pockets, reversible gilets and chunky down jackets, women turn to oversized cabans, wool cloth trench coats and checked jackets with trek-style drawstrings. The look includes soft teddy fleece layers, fine eco-cashmere yarns and multicolor wool inlays and jacquards embellished with geometric and Fair Isle patterns.*

Su di Lei: classico ma con sprint, questo caban realizzato in lana vergine, dona colore anche nelle giornate più uggiose!

Tra attitudine anticonformista e richiami vintage, la collezione si apre a una nuova visione alternativa in cui il gusto classico diventa definitivamente contemporaneo dialogando con lo sportswear e lo streetwear. I colori sono presi in prestito dalle uniformi dei college inglesi, dalle sfumature di grigio agli accenti vivaci di giallo, rosso, verde e viola. I dettagli e i motivi, come i patch e i color block, ricordano le divise da basket dei primi anni '90. Il mood preppy si fonde con l'athleisure e il sartoriale, in un mix inedito e sperimentale di tessuti tradizionali, aspetti tecnici e forme fluide e rilassate.

*With its non-conformist attitude and vintage flashbacks, the collection opens up to a fresh and alternative vision where classic style is unexpectedly mixed with sportswear and streetwear to become hyper-contemporary. Colors are inspired by prep school uniforms, with shades of grey and bright pops of yellow, red, green and purple. Details and patterns, such as patches and color blocks, recall the basketball players from the early 1990s. Preppy mood, athleisure and tailoring meet to deliver an unusual and inventive mix of traditional fabrics, technical finishes and easy, relaxed shapes.*

Un classico dello stile preppy, questo gilet ha un design a righe color-block con orli a contrasto e scollo a V. La vestibilità regular lo rende semplice da abbinare con il resto del guardaroba stagionale.

Filati morbidi e avvolgenti caratterizzano la nuova selezione knitwear scandita da una palette calda e naturale che richiama i colori del bosco e della terra, dalle sfumature beige ai verdi, con tocchi di rosso e blu, grigio e viola. I materiali premium spaziano dai cotoni densi alla lana d'angora pregiata, modellati sui tagli girocollo o con collo alto, e sui cardigan importanti elevati alla funzione di veri e propri capispalla. Mix di punti differenti e lavorazioni raffinate distinguono le linee rilassate e confortevoli visualizzando grafiche jacquard effetto Ikat, motivi di trecce con cordoncini infilati a mano, disegni fair-isle e geometrie multicolor.

I gilet e le giacche imbottite in eco-piuma sono realizzati con un'ovatta sintetica lavorata in 'fiocchi' come la vera piuma per garantire un elevato livello di protezione e isolamento termico. I pullover in eco-cashmere si distinguono per le forme fluide e soffici, derivate dal recupero di vecchi filati. I modelli in eco-montone, con maxi tasche applicate, simulano l'aspetto autentico della pelliccia svelando nuove morbidezze teddy fleece in piena sintonia con lo spirito outdoor di Harmont & Blaine.

Tra la scuola, le esplorazioni outdoor e i giochi all'aria aperta, i bambini Harmont & Blaine si ispirano alle atmosfere dei campus americani e alle tendenze street-style, al fascino della giungla e alle insegne al neon di LA. Ricami, emblemi e riferimenti alla graffiti art arricchiscono il guardaroba dei maschietti eleggendo la felpa con maxi logo college come capo must-have della stagione. Colori fashion, fantasie maculate e dettagli di borchie e finiture glitterate movimentano i look delle bambine spaziando dallo chemisier con stampa Blaine animalier ai capi bon ton con fiocchi, applicazioni gioiello e motivi a pois.
